

## Proposition 1B Goods Movement Emission Reduction Program Regulation Eligibility Tables

**Table 1 - How can my fleet comply with the [Statewide Truck and Bus Rule](#) (Rule) and be eligible for funding? <sup>(1)</sup>**

Fleet Size (GVWR 14,001+ lbs.)	Class 7 or 8 Trucks (GVWR 26,001+ lbs.)		Class 4-6 Trucks (GVWR 14,001-26,000 lbs.)
	Statewide Truck and Bus Rule Compliance Option	Requirement	Statewide Truck and Bus Rule Compliance Requirement
Any	<a href="#">Engine Model Year Schedule Option</a>	All Class 7 or 8 vehicles compliant with the Engine Model Year Schedule for Heavier Trucks published within the Rule now <u>and</u> in 2014 without funding assistance.	Engine Model Year Schedule - All class 4-6 trucks must be compliant with the Engine Model Year Schedule for Lighter Trucks published within the Rule now <u>and</u> in 2014 without funding assistance.
1 - 3	<a href="#">Small Fleet Option</a> (alternative to Model Year Schedule)	1 or more Class 7 or 8 trucks in fleet with a PM Level 3 retrofit installed by 12/31/2013 without funding assistance.	N/A - Small Fleet and Phase-in compliance options are not available for lighter Class 4-6 trucks. See Engine Model Year Schedule requirement above.
4 +	<a href="#">Phase-in Option for Heavier Trucks</a> (alternative to Model Year Schedule)	60% of Class 7 or 8 trucks in fleet with a PM Level 3 retrofit installed now and 90% with a PM Level 3 retrofit installed by 12/31/2013 without funding assistance.	

**Note <sup>(1)</sup>:** Additional compliance options not listed on this chart may be available for your fleet. For more information on available Statewide Truck and Bus Rule compliance options, contact an ARB Diesel Representative at 866-6DIESEL (866-634-3735) or visit the ARB Truck Stop website at: <http://www.arb.ca.gov/truckstop>

**Table 2 - Which on-road diesel trucks in my fleet can be eligible for funding? <sup>(2)</sup>**

Weight Class/Group	Potentially Eligible Engine Model Years
Class 7 or 8 Trucks (GVWR 26,001+ lbs.)	2006 and older
Class 6 Trucks (GVWR 19,501-26,000 lbs.)	2006 and older
Class 5 & Lighter Trucks (GVWR 19,500 lbs. and lower), and vehicles subject to the following ARB regulations: <ul style="list-style-type: none"> <li><a href="#">Drayage Truck Regulation</a> (13 CCR §2027) (Class 7 &amp; 8 only)</li> <li><a href="#">Public and Utility Fleet Rule</a> (13 CCR §2022 and 2023)</li> <li><a href="#">Solid Waste Collection Vehicle Rule</a> (13 CCR §2021)</li> <li><a href="#">Diesel Cargo Handling Equipment Rule</a> (13 CCR §2479)</li> </ul>	Not Eligible for Funding
